**Payment in full is due at time of service.**

I agree to pay all services provided to me or to members of my family by Silverwolf Dental Spa. I understand that Silverwolf Dental Spa will seek payment from my insurance company for amounts covered by insurance. I understand, however, that even if my insurance provider fails to pay for the dental service, I am ultimately responsible to pay all amounts in full within 90 days from the date of service. If I fail to pay, I agree to pay a finance charge of 1.5% per month (18% per year) of the unpaid balance. Should collection become necessary, I agree to pay an additional 50% collection fee and all legal fees dealing with collections, with or without suit, including attorney fees and court costs. I understand that I will be charged \$66.00 if I cancel a scheduled appointment within 48 business hours prior to appointment. I further understand that, due to office policy and certain insurance contracts, cancellation fees are non-negotiable and will not be removed from my account. I also understand that Silverwolf Dental Spa does not accept cancellations by voicemail. Should any conflict arise between this agreement and previous patient forms, the terms of this agreement will supersede.

**Insurance & Billing Information**

For your information this letter is to help you better understand the complexities of dental insurance; we realize how confusing it can be. To begin, we would like to highlight a misconception – Dental Insurance was not designed to pay for all dental care. Most contracts have limits and/or various degrees of co-payments, deductibles and yearly maximums.

As a courtesy we verify the basics of a patients plan. Your Employer dictates the benefits that are paid. Please take time to read the booklet of Benefit Information given to you, so you will be aware of your benefits, Deductibles, Co-pays, Yearly Maximums, waiting periods, and if your insurance company downgrades Composites to Amalgams, Porcelain Crowns to All Metal & Inlays/Onlays to 2 surface Resins.

\_\_\_\_\_ Initials

All levels of payment by insurance companies, including allowed fees, usual and customary (UCR), are governed by the premiums paid. They have nothing to do with the actual charges. Our fees are based upon a combination of our costs, our time, and our constant dedication to supplying our patients with the highest quality dental care. The treatment recommended by our office is never based on what your insurance company will pay; your treatment should not be governed by your insurance contract.

It should be understood, that the dental insurance contract is between the insurance company and you the patient, it is your responsibility to know your policy (downgrades, waiting periods, missing tooth clauses etc.), you the patient bears the ultimate financial responsibility.

As a courtesy, we will directly bill your insurance company. If your insurance company has not paid us within 30 days from the time claim is sent, we will grant you another 30 days to contact your insurance company and demand payment. If no payment is received by the end of the 60-day period, you will be responsible to pay the full amount due and seek reimbursement directly from your insurance company. We do bill secondary insurance; please let us know if you have double coverage.

After Insurance pays in full, and the balance is known; a statement will be sent and payment in full will be due upon receipt.

We hope this information has been helpful. Please take the time to review your contract thoroughly so we may best serve you. As always, please feel free to ask any member of our staff for clarification on services, billing and insurance.

**I have read and understand the Insurance Policies and agree to abide to the terms of this office.**

**Consent to Proceed and Health Questionnaire Acknowledgement:**

I certify that the answers to the health questions are accurate and correct to the best of my knowledge. Since a change of medical condition or medications can affect dental treatment, I understand the importance of and agree to notify the dentist of any changes at any subsequent appointment.

I authorize **Dr. Smith and/or Dr. Wareham** or assistants as he may designate to perform those procedures as may be deemed necessary or advisable to maintain my dental health or the dental health of any minor or other individual for which I have responsibility, including arrangement and/or administration of any sedative (including nitrous oxide), analgesic, therapeutic and/or pharmaceutical agent(s), including those related to restorative, palliative, therapeutic or surgical treatments.

I understand that the administration of local anesthetic may cause an untoward reaction or side effect, which may include, but are not limited to bruising, hematoma, cardiac stimulation, temporary or rarely, permanent numbness, and muscle soreness. I understand that occasionally needles break and may require surgical retrieval.

I understand that as part of the dental treatment, including preventive procedures such as cleanings and basic dentistry, including fillings of all types, teeth may remain sensitive or even possibly quite painful both during and after completion of treatment. After lengthy appointments, jaw muscles may also be sore or tender. Gums and surrounding tissues may also be sensitive or painful during and/or after treatment. Although rare, it is also possible for the tongue, cheek or other oral tissues to be inadvertently abraded or lacerated (cut) during routine dental procedures. In some cases, sutures or additional treatment may be required.

I understand that as part of dental treatment items including, but not limited to crowns, small dental instruments, drill components, etc. may be aspirated (inhaled into the respiratory system) or swallowed. This unusual situation may require a series of x-rays to be taken by a physician or hospital and may, in rare cases, require bronchoscopy or other procedures to ensure safe removal.

I understand the need to disclose to the dentist any prescription drugs that are currently being taken or that have been taken in the past, such as Phen-fen. I understand that taking the class of drugs prescribed for the prevention of Osteoporosis, such as Fosamax, Boniva or Actonel, may result in complications of non-healing of the jawbones following oral surgery or tooth extractions.

I do voluntarily assume all possible risks, including the risk of substantial and serious harm, if any, which may be associated with general preventative and operative treatment procedures in hopes of obtaining the potential desired results, which may or may not be achieved, for my benefit or the benefit of my minor child or ward. I acknowledge that the nature and purpose of the foregoing procedures have been explained to me if necessary and I have been given the opportunity to ask questions.
